

YMCA Camp Greenville

Summer Camp Packing List

Below is a list of clothing and personal items that we recommend you send to camp. It is lengthy but please go through it in detail as we have added explanations based on the most frequently asked questions.

- ❖ At Camp Greenville we desire for all campers to “be themselves”. We have seen that campers choose to express via clothing, cabin bunk decor, or pins on a backpack. We simply remind you that you are at camp to participate in a culture of unity not division. So we ask that you choose all of the items you have with you at camp under that lens. Having said that, clothing and items must be free of
 - Any specific politicians and campaign slogans and imagery.
 - Text or images that discriminate against federally protected classes (race, color, religion, sexual orientation, gender, age, or disability).
 - Depictions/implications of explicit or illegal material (sexual acts, promotion of violence, or controlled substances).
 - While we respect the rights of the individual to express themselves through their attire choice, the camp administration reserves the right to restrict items that might offend others or promote things that are inconsistent with camps core values of caring, honesty, respect, and responsibility.
 - If you have questions, just ask. Otherwise, be you! .
- ❖ Pack enough items to dress for a week and a half as campers may need multiple outfits a day if they get dirty or wet.
- ❖ Laundry service is included in your fee if your camper is participating in stayover or a multi week session.
- ❖ Take into consideration the climate/environment of camp and the variety of activities your camper may participate in.
- ❖ We strongly recommend sending old clothes and that campers can easily recognize as theirs.
- ❖ Label all clothing with “iron on” or “sew in” nametags or write their names on the label of the clothing with a permanent laundry pen. This will help with lost and found.

PACKING LIST RECOMMENDATIONS (all campers)

CAMPER LUGGAGE

Campers may bring their clothing & equipment in trunks, suitcases, backpacks and/or duffel bags. Be sure items are clearly marked with your camper's name and session.

CLOTHING***

Short sleeve shirts	Light Jacket, fleece, sweater	Bandanas (optional)
Long sleeve shirts	Underwear	Poncho, raincoat/gear
Shorts	Socks	Tennis shoes (x 2 if able!)*
Swim suit (x 2 if able)**	Pajamas/sleeping clothes	Sports/water sandals*
Long Pants#	Hat/Sunglasses	

***Clothing needs to allow safe and comfortable participation in any moment and be appropriate for an outdoor active setting. Clothing must meet the demands of the activity and provide full coverage of private areas with minimal need for adjustment.

**Swim wear must be athletic style (no string fasteners) and functional for an active waterfront setting. Should be sturdy and firmly attached without fear of parts breaking or falling down. Will provide full coverage of private areas and can move without fear of body parts being exposed.

#For long pants we recommend lightweight material, nylon or sweatpants/legging style if possible. Jeans, khakis, corduroys are not the most effective for an outdoor setting

- Camp focuses on allowing children the experience of our amazing natural setting free of distractions brought by electronics. The one exception is digital cameras that are not phones or mp3 players.

Anything that you or the camper would be upset if it became: scratched, stained, battered, broken, lost or unrecognizable

ADVENTURE PACKING LIST ADDITIONS

We have also made a video to outline some of the items that may be new or confusing to you. [CLICK HERE](#) to view!

Hiking boots/Shoes*	Extra Pair of close toed shoes	Socks (wool, nylon, synthetic)
Small bag (50-60L Pack or duffel bag)**	Day pack/Backpack**	Water bottle(s) x 2
Flashlight/batteries (headlamps are best)	Garbage bags (x 2 for wet/muddy items)	Layers: synthetic material is best
Sleeping Bag: synthetic w/ compressible stuff sack	Sleeping Pad	Hammock with a small tarp

*Hiking Boots: Campers spend a lot of time on their feet but we do not do the kind of extreme hiking that would require a full leather boot. As long as campers have strong, durable, sturdy shoes they will be fine. Make sure the shoes have laces that can be tied all the way up the tongue of the shoe.

Note: Shoes should be worn in before arrival. Also, expect shoes to be dirty and scuffed by trips end.

**Backpack: Campers have 2 options

1. A duffel bag: allows for stuffing and compressing gear to fit on the bus easily
2. A 50-60 L backpack, has enough space to contain everything while being mobile and fitting on ones back.

In addition to both options, bring a day pack/ book bag for essential items to be used and accessible throughout the day.

***Sleeping Bag: bring a sleeping bag with a minimum temperature rating of 40 degrees, as it gets cooler at night in the mountains. It should also have a stuff sack with ability to compress to help with space in luggage.
