If you have chosen to have names for the Class Groups, please list them here: _____

We want to make this your best trip ever! Our instructors like to know what your main goals are for this experience. Let us know what your main goals are by completing the following.

(1 = most important, 6 = least important)

- We want students to practice science and nature studies in the field _____
- We want students to learn specific environmental education concepts and ideas _____
- We want students to learn to work together better _____
- We want students to increase their sense of self-esteem and self-awareness _____
- We want a recreational program, for students to "get away from school". _____
- Add your own goals if they are not covered above _____

What would you like your students to learn from their Camp Greenville experience?

Next, please list the classes you have selected, what your students already know of this subject, and what you would like us to cover at camp.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

Anything else you think may be of interest to us?

Please be sure that all of your students and chaperones are aware of the goals for the trip!!
