

# Adventure Guides/Trailblazers

## **Tribe and Chief Info:**

### **Oconee Belles (previously Pocahontas)**

We are a girls' tribe in the downtown area pulling from Augusta Circle, Blythe, and other nearby elementary schools. We are a large tribe and we engage in a number of tribe only events (tubing, bowling, bike rides, etc.) in addition to the overall Adventure Guides program events.

### **Sasquatch**

We are a tribe of boys mostly in the 29605 zip code area. We would like to do more events together once the world is in a better place to socialize. We are small but MIGHTY!!

### **Fireflies (previously Waccamaw)**

We are a girls group for members on the Eastside. Currently all members are from Buena Vista Elementary school.

### **Quest**

We are a tribe of boys and girls primarily located in the N main area. Schools that we attend are Summit Drive Elem, Stone Academy, League Academy, and Greenville Middle.

### **Swamp Rabbits (Previously Navaho)**

### **Trailblazers**

We are mostly fathers with rising 4th through 8th grade children. Many come from former Adventure Guides participants, but it is not a requirement and we welcome new members.
